Please take the time to review the following materials, which serve as an introduction to your trip and program. Again, do not hesitate to contact us with any questions or concerns that you may have.

BEFORE YOU COME:

Please review the following reminders and recommendations prior to your departure:

- Please complete the group registration form [here](#) and email or fax back to Rural Hill. This will confirm your reservation on our calendar. *Do not worry about pre-payment unless it is easier for you to pre-pay.*
- Unless stated otherwise, programs are \$5 per student. One adult per 10 students is required and free. Each additional adult is \$5.
- Groups of fewer than 15 participants will be required to pay a minimum amount of \$75.
- Please review the page entitled “*Site Etiquette*” with your students prior to arriving to Rural Hill and ensure that they understand what is expected of them.
- We would like you to arrive about 10 minutes early to allow the students plenty of time to check in and group themselves away from the bus(es).
- *Rural Hill is open all year in all weather.* If there are concerns regarding inclement weather and your group, please call ahead to let us know whether you are coming or rescheduling.
- Please ensure that students are dressed appropriately for the outdoors and the weather at hand. Being one of Mecklenburg County’s most open and highest elevations, Rural Hill is naturally windy. Because of this, it can feel 10-15 degrees cooler here than where you are. Our historic buildings have no climate control measures, if it is cold outside, it will be cold inside. *Please dress appropriately.*
- The maximum number of students per program session is 30. If there is more than this, your group will be divided into two or more groups. As one group enjoys the educational program, the other group(s) will be led on a nature hike, scavenger hunt, or other appropriate activity.

SITE ETIQUETTE:

Rural Hill has over two hundred and fifty years of history on site and the staff here have the obligation to protect it for the future. Please abide by the following written rules as well as any verbal instructions our staff may provide to you during your stay. Davidson School Schedule of Programming

**** Due to its small size, the Davidson School Program is limited to a maximum of around 20 students and 3-4 adults. If your class is larger than this please call or email us so that we can try to better accommodate your group. ****

Bring your class out to Rural Hill's historic one room Davidson School for a day of learning the way it was in 1905 when the school was in full operation. Built in 1890, Davidson School served the surrounding farming community until 1923, when the school was closed and children began attending nearby Long Creek School. Restored in 2003, the school now serves as an educational facility and service to our community. Your class will be taught by one of our expert staff members using only materials and methods available in 1905, when Theodore Roosevelt was president, George Bryant Aycock our governor, and the US had only 45 states. Readings and exercises are taught from our large collection of vintage and reproduction textbooks, including those of McGuffey, Ray, Webster, and Harvey, leading educators of the period. Looking for a little more writing and a little less arithmetic? Just ask our staff prior to the day of class and they will be glad to customize a program to suit your needs.
